We could ask Mark Adams but I do not think we have ever written such a support letter for an application for alcohol outside our campus.

I'm not aware of anyone at LAWA who would be involved, but Lisa would know better.

Barb / Lisa,

Is there anyone at LAWA besides LAWA PD who would weigh in (support) the Conditional Use Permit for a bar and Sandwich shop at 6171 W. Century Blvd.?

Hi Laurie,

Happy holiday weekend !

Hearings on the two cases (Bar None, and beer and wine for Rinaldi's) are tentatively set for July 11. Would you come to support? I will forward more info on time and location.

To whom do you recommend we reach out? In particular at LAWA PD and LAPD, do you have contacts to recommend?

I figure we will contact at least the following:

- immediate neighbors (Israel, Jeff, Steve, Bob)
- LAWA PD
- LAPD
- CD 11
- (You) Gateway BID
- LAWA (other than PD)?

Are we a part of a neighborhood council ? Should we reach out to Westchester Neighborhood Council? Any thoughts on them or other groups like that and also any particular contacts you recommend?

Cheers,

Paul
